COMPANY PROFILE

- Associated Shipbroking S.A.M commenced trading in Monaco on the 16th August 1993, founded by Jim Mcloughlin and Julian Owen. During its 26 years trading history it has established itself as one of the leading Sale and Purchase companies averaging an annual turnover of sales of between 80-100 vessels per year (Second Hand and about 40 New Building contracts).
- In the early 2000s, the company established an office in Shanghai together with its partners Shan Li and James Liu as it recognized the importance of gaining a strong foothold in what is today the largest shipbuilding nation in the world. Similarly the company opened an office in Seoul in early 2015 to assist with ongoing projects and source opportunities from one of the major shipping nations worldwide.
- Today, Associated Shipbroking has about 30 brokers specializing in newbuilding, sale and purchase and dry cargo chartering spread across its offices in Monaco, Shanghai, Seoul and London. With its ethnically diverse team of brokers speaking languages including English, German, Mandarin, Cantonese, Korean, Italian, French, Norwegian, Swedish and Arabic, the company is well placed to service its clients worldwide.
- The company covers all sectors of traditional merchant shipping such as Bulk, Tanker, Gas, MPP/Container as well as more specialized sectors such as offshore, RoRo, cement, PCTC and the demolition market. The company's client base includes some of the largest shipowners in the world as well, as operators, shipyards, banks, leasing companies, private equity companies, offshore contractors and drillers, IOCs, E&P companies and naval architects.
- Associated Shipbroking S.A.M. is regularly called upon by major shipping banks to undertake valuations on their behalf, market reports as well as being called upon as expert witnesses.

COMPANY PROFILE

NUMBERS

SERVICES

Newbuilding

With a dedicated office network in Asia and Europe focusing on newbuilding contracting, the company has unparalleled relationships in shipbuilding markets worldwide. Since its inception the company has concluded in excess of one thousand newbuilding contracts with successful deliveries.
